

## Mobile Health Screening & Referral Fair

Thursday, August 1, 2013

10:00-2:00

Location: Ypsilanti First Presbyterian Church  
300 N. Washington Street, Ypsilanti

### Purpose

To provide free health care screenings and follow up referral information to vulnerable area residents -adults and children- who do not have a health care or dentistry home.

### Community Participants:

HOPE Clinic; Corner Health; CSTS Disease Management unit; Camp Take Notice Community of Faith; PORT outreach; UM School of Dentistry; Washtenaw Health Plan; Washtenaw Public Health; Packard Community Clinics; Area Churches

### Free screenings & referral assistance plus health kits

### The Fair

Activities for children and families that creates a fun environment.

### Health Care Screenings

The Mobile Health team offers screening for the following:

- Blood Pressure
- Height & Weight & Body Mass Index
- Vision (glaucoma, Random Dot E, Near Visual Acuity, Distance Acuity)
- Basic Hearing
- Oral Dental Screenings
- Glucose Testing
- Pulmonary Function Test for Asthma, COPD (spirometry)
- Skin Cancer (only visible areas without disrobing)
- HIV- at risk education

**Two doctors will be on hand to review the screening information** with each guest. The physicians do not provide diagnoses or treatment. We will help participants locate follow up care.

Area providers have offered new patient spaces in their practices for follow up care. Washtenaw Health Plan will be on site assist those with serious chronic conditions who meet financial criteria to take the first steps in for an appointment for enrollment.
