1. **CALL TO ORDER:**
   7:38 a.m. by Sheriff Clayton, Chair

2. **APPROVAL OF MINUTES:**
   By Committee

3. **BY-LAWS APPROVAL PROCESS UPDATE**
   Sent to Dan Dwyer for Judge's approval. Will then go to BOC when approved.

4. **CJCC COMMUNICATION STRATEGY**

   The CJCC had a communication Sub-Committee. Sheriff will supply document. Have talked about CJCC having a communications strategy. At next full meeting will supply document and get input. If that Sub-Committee doesn't fit in, we should create one—to develop a two year plan on how we are going to communicate with, engage the community.

Comm. Bergman: County will be communicating as well. Should the CJCC group work with the County so the objectives/messages are in alignment?

Sheriff: will bring this issue to the Full Council (include aligning Council's approach with the County's approach).

5. FULL COUNCIL AGENDA FOR 2-18-11

- **Data Sub-Committee**

  Re-visit definitions and make sure that they are all in alignment and make sense in terms of the CJCC and the Criminal Justice System

  The other piece is the new JMS System—we had talked about giving the Council members the opportunity to sit in the next time ARCHONIX is in town to present (March 1st). John Shea is going to resurrect the old Data Sub-Committee

- **State Budget Discussion (to be released 2-17-11)**
  Governor plans to release his budget on 2-17-11 (though there will be final legislative changes after). Concerns were expressed about revenue sharing going away, DOC Budget being reduced, early release of parolees to the County system before end of sentence, etc. (Would MPRI money and programming be available?) CJCC may need to weigh in on these issues. Comm. Bergman concerned about MPRI losing money. Sheriff: if we are doing the work for MPRI we need to get compensated/be funded for it. (Don't want unfunded mandate.)

  Brian Mackie: it is possible State may raise length of time people can stay in jail.

  (Brian reviewed use of Compass Assessments briefly.)

  Greg: if length of stay were seriously being discussed that would really impact jail capacity. Brian: thinks the Sheriff's Associations can stop.

  Sheriff: MACP talked about the Blueprint, thinks is an excellent document and should be a part of the CJCC focus. The Council of State government Report is also very helpful (Michigan prison pop. is different from others—more of our pop. is there for very serious offenses. Judicial task force came out with a report (Judge Tabbey could update us—we can work on getting a link or Executive Summary.)

- **Special Budget Planning Meeting**
  Discuss possibility of a dedicated meeting to focus on planning for impacts on Criminal Justice System entities. Assist individual entities and Administrator.

6. **NEW BUSINESS**
   None.

7. **ADJOURN**
   8:08 a.m. by Sheriff Clayton, Chair.

NEXT STEERING COMMITTEE MEETING: March 11, 2011 at 7:30 a.m. in the BOC Conference Room (basement) at 220 N. Main St. in Ann Arbor.
