SUBJECT: Resolution amending the 2000 Apportionment Report

Board Action Requested:

We are requesting adoption of the 2000 Apportionment Report, as amended. The report has been prepared by this office and has been reviewed by the Equalization Department.

When the 2000 Apportionment Report was adopted, it was noted there were three jurisdictions that had millage proposals on the November 7, 2000 ballot that if passed, would affect the Apportionment Report. The voters approved millage proposals in the Townships of Bridgewater and Superior. Amended L-4029's have been received and the Apportionment Report has been amended reflecting these changes.
