

A RESOLUTION COMMENDING THE STUDENTS OF THE RCTC COMPUTER
SYSTEM TECHNOLOGY PROGRAM FOR THEIR DEDICATION TO THE
CITIZENS OF WASHTENAW COUNTY

WASHTENAW COUNTY BOARD OF COMMISSIONERS
MAY 21, 2008

WHEREAS, the students of the Regional Career Technology Center Program (RCTC) have given a significant amount of time, skill, and energy to the RCTC's Computer System Technology program; and

WHEREAS, RCTC provides students with valuable personal and technological knowledge in the process of providing refurbished computers to non-profit agencies in our community; and

WHEREAS, the non-profit community project has enriched the lives of many individuals; and

WHEREAS, the RCTC students' involvement in this program has demonstrated a commitment to the citizens of the community; and

WHEREAS, County Commissioner Rolland Sizemore has been influential in ensuring ongoing support for this important work, and would like to recognize the students for their efforts and contributions in improving the quality of life for many in the Washtenaw County community; and

NOW THEREFORE BE IT RESOLVED that the Board of Commissioners hereby commends the students of the RCTC Computer System Technology program for their dedication to the citizens of Washtenaw County and extends its best wishes to them in their future endeavors.
