SUBJECT: Public Hearing on July 2, 2008 to Receive Comment on the Adoption of the Proposed Amendment to the Washtenaw County Brownfield Plan for the City of Chelsea's "Federal Screw Works" Brownfield Redevelopment Plan.

BOARD ACTION REQUESTED:

It is requested that the Washtenaw County Board of Commissioners consider approval of the attached Resolution, calling for a Public Hearing to be held before the Washtenaw County Board of Commissioners on July 2, 2008. The Public Hearing, as stipulated by State of Michigan law, will serve as the mechanism for citizens to provide comment on the proposed Amendment to the Washtenaw County Brownfield Plan for the City of Chelsea's "Federal Screw Works" Brownfield Redevelopment Plan, prior to the Board of Commissioners consideration of its approval.

BACKGROUND:

In May of 1999, the Washtenaw County Board of Commissioners established the Washtenaw County Brownfield Redevelopment Authority (WCBRA) through Resolution 99-0110, and subsequently appointed members to its Board the same year (Res. 99-0122). In October of 2000, Commissioners adopted the Brownfield Redevelopment Plan (Plan) for Washtenaw County. All subsequent projects are Amendments to this Plan and require consideration of approval by the BOC. In February of 2000, the City of Chelsea joined the WCBRA as a municipal member, by adoption of a resolution.

DISCUSSION:

The Washtenaw County Board of Commissioners has demonstrated its support for the sustainable redevelopment of environmentally distressed sites in Washtenaw County. By establishing and supporting the Brownfield Redevelopment Authority and its Board, the Commissioners have begun the process to transform underutilized brownfields into productive properties. Pursuant to the State of Michigan Brownfield Redevelopment Financing Act (P.A. 381 of 1996, as amended), the WCBRA is preparing an Amendment to the Washtenaw County Brownfield Plan for the City of Chelsea's "Federal Screw Works" Brownfield Redevelopment Plan for the reimbursement of environmental eligible activities and non-environmental eligible activities (which include environmental due care activities, lead and asbestos abatement and demolition) and to be eligible for Michigan Business Tax (MBT) Credits on the project located within the brownfield redevelopment zone. The Amendment must be submitted to the

Washtenaw County Board of Commissioners for adoption. Prior to that adoption, the law stipulates that a Public Hearing be held.

The “Federal Screw Works” project investment is estimated at \$5.2 million and will include mixed-use commercial development on a brownfield site located in the City of Chelsea. The Plan proposes the capture of tax increment revenues to reimburse approximately \$546,179 in eligible activities, authority administration costs and local site remediation revolving fund deposit. This Amendment will also allow for a Michigan Business Tax (MBT) Credits application to be submitted to the Michigan Economic Development Corporation for a MBT credit based on approximately \$4.57 million of eligible investment.
