The following ordinance was offered by _____ and seconded by _____:

AN ORDINANCE TO ESTABLISH AN ALTERNATIVE FUNDING MECHANISM FOR WASHTENAW COUNTY TO FULFILL ITS CONTRACTUAL OBLIGATIONS TO PROVIDE RETIREE MEDICAL BENEFITS FOR RETIREES AND CERTAIN ACTIVE EMPLOYEES OF THE COUNTY; TO AUTHORIZE THE FORMATION BY THE COUNTY OF AN WASHTENAW COUNTY RETIREE MEDICAL BENEFITS FUNDING TRUST FOR THE PURPOSE OF ISSUING TAXABLE CERTIFICATES OF PARTICIPATION TO PROVIDE FUNDS TO PAY A SPECIFIED AMOUNT OF THE UNFUNDED ACCRUED ACTUARIAL LIABILITIES OF THE COUNTY FOR THE ESTIMATED COSTS OF FULFILLING SUCH OBLIGATIONS; TO APPROVE THE FORM OF A CONTRACT BETWEEN THE COUNTY AND SUCH FUNDING TRUST;. THIS ORDINANCE DOES NOT INTEND TO AND DOES NOT RESCIND ANY SUBSTANTIVE RIGHTS, ENTITLEMENTS OR OBLIGATIONS WITH RESPECT TO BENEFITS EARNED OR ACCRUED OF RETIREES OR EMPLOYEES OF THE COUNTY OR THEIR DEPENDENTS. THIS ORDINANCE DOES NOT SUPERSEDE ANY CONFLICTING PROVISION OF ANY COLLECTIVE BARGAINING AGREEMENTS.

THE COUNTY OF WASHTENAW ORDAINS:

Section 1. Title of ordinance.

This ordinance shall be known and may be cited as the Retiree Medical Benefits Funding Ordinance.

Section 2. Authority to adopt ordinance.

The Washtenaw County Board of Commissioners (the “**Board of Commissioners**”) is granted authority by Section 11 of Public Act No. 156 of the Public Acts of Michigan of 1851, as amended, to adopt ordinances necessary for the conduct of county business which relate to county affairs.

Section 3. Legislative findings.

The Board of Commissioners expressly finds and determines that:

A. The Board of Commissioners is authorized by statute to provide for medical benefits for County retirees and their dependents, and to create reserves for the purpose of providing pension and other retirement benefits on a sound actuarial basis.

B. The County is contractually obligated to provide retiree medical benefits to eligible retired and active County employees and their dependents, as confirmed and restated in the Retiree Medical Benefits Contractual Obligations Ordinance adopted by the Board of Commissioners on the same date as the adoption of this ordinance.

C. Maintaining the actuarial integrity of the County's retiree medical benefits program is an important public purpose to ensure that retirees obtain the medical benefits to which they are entitled.

D. Pursuant to a Resolution No. 96-0291 adopted by the Board of Commissioners on December 27, 1996 and a trust agreement effective as of December 27, 1996, the County established a voluntary employee benefit association trust ("**VEBA Trust**") as a vehicle for funding the County's contractual obligations to provide retiree medical benefits, which continues in full force and effect. The VEBA Trust provides the County a prudent means to pay the costs of providing these benefits when they come due and to create reserves for the purpose of maintaining the actuarial integrity of the County's system for funding these benefits.

F. The County's actuary, in consultation with the VEBA Trust's actuary, has estimated that the County's unfunded accrued actuarial liabilities for retiree medical benefits for certain eligible retired and active employees of the County is \$146,089,569 as of December 31, 2006.

G. The County in the next month will, after consultation with the County's actuary and the VEBA Trust's actuary, make a final estimate of the county's unfunded accrued actuarial liabilities for retiree medical benefits for certain eligible retired and active employees in the County which is not expected to exceed \$162,050,000 ("**Subject RMB UAAL**").

H. It is in the best interest of the County to authorize by this ordinance an alternative to its traditional mechanism for funding the costs of fulfilling its contractual obligations to provide retiree medical benefits (an “**Alternative Funding Mechanism**”), to better maintain the actuarial integrity of its retiree medical benefits program and to reduce the financial burden to the County of the Subject RMB UAAL. The Alternative Funding Mechanism will enable the County to enter into a transaction (the “**Funding Transaction**”) to obtain funds to fund the Subject RMB UAAL.

I. Toward that end, it is in the best interest of the County to authorize by this ordinance these elements of the Alternative Funding Mechanism: (i) the establishment of the Funding Trust (as defined in this ordinance) and the VEBA Trust, and (ii) the County’s entering into a related contract with the Funding Trust as a means for the County to fund the Subject RMB UAAL.

J. This ordinance shall not be deemed to affect any benefits under the County’s retiree medical benefit program or other subjects of collective bargaining or Act 312 arbitration awards and shall be so interpreted.

Section 4. Certain definitions.

The County Administrator shall execute an approval for each in the form attached thereto.

E. The 2008 Contract shall permit the sale of participation interests under the Funding Trust and in the Contract Payments of the County to be made thereunder in the form of Certificates of Participation.

F. In addition to the Subject RMB UAAL, the aggregate amount of the Certificates of Participation may include amounts, not in excess of two percent (2.0%) of the Subject RMB UAAL acceptable to the Finance Director, in connection with the County’s obtaining funds to fund the Subject RMB UAAL through the Funding Trust’s issuance of Certificates of

Participation, including Costs of Issuance (as defined in the 2008 Contract) and prefunded Contract Charges.

The Certificates will be fully registered Certificates,

both as to principal and interest, in any one or more denominations of \$5,000 or a multiple of \$5,000, not exceeding the aggregate amount for each maturity, dated _____ 1, 200_, numbered from 1 upwards and will bear interest from _____ 1, 200_ payable on _____ 1, 200_ and semiannually thereafter on each _____ 1 and _____ 1 until maturity. Principal of the Certificates will mature and be payable on _____ 1 of each year as follows:

<u>YEAR</u>	<u>PRINCIPAL*</u>	<u>YEAR</u>	<u>PRINCIPAL*</u>	<u>YEAR</u>	<u>PRINCIPAL*</u>
--------------------	--------------------------	--------------------	--------------------------	--------------------	--------------------------

[*Subject to reduction -- see "REDUCTION IN PRINCIPAL AMOUNT."](#)

REDUCTION IN PRINCIPAL AMOUNT: The aggregate principal amount of this issue has been determined as the amount necessary to meet the County's contractual obligations to fund its estimated unfunded accrued actuarial retiree medical benefits liabilities and to pay all of the costs of issuance of the Certificates, assuming certain conditions and events exist on the date of sale. Following receipt of bids and prior to final award, the County reserves the right to decrease the aggregate principal amount of the issue by an amount not to exceed \$_____. The decrease will be in increments of \$5,000 and will be made as uniformly as possible over each maturity. The purchase price will be adjusted proportionately to the reduction in issue size, but the interest rates specified by the successful bidder for all maturities will not change. The successful bidder may not withdraw the bid as a result of any changes made within these limits.

ADJUSTMENT IN DISCOUNT: In the event the principal amount of this issue is decreased, the discount bid, if any, will be adjusted so that it is the same percent as the discount originally bid.

INTEREST RATE AND BIDDING DETAILS: The Certificates of each maturity shall bear interest at a rate or rates not exceeding ____% per annum, to be fixed by the bids therefor, expressed in multiples of 1/8 or 1/20 of 1%, or both. The interest on any one Certificate shall be at one rate only. All Certificates maturing in any one year must carry the same interest rate. The difference between the highest and lowest interest rates bid shall not exceed 2%. THE INTEREST RATE BORNE BY CERTIFICATES MATURING IN EACH YEAR FROM ____ THROUGH ____, BOTH INCLUSIVE, SHALL NOT BE LESS THAN THE INTEREST RATE BORNE BY CERTIFICATES MATURING IN THE IMMEDIATELY PRECEDING YEAR. No bid for the purchase of less than all of the Certificates, no bid for the purchase of the Certificates at a price less than ____% or more than ____% of their par value, and no bid for the purchase of the Certificates at an interest rate or rates that will result in a true interest cost of more than ____% per annum will be considered.

GLOBAL BOOK-ENTRY SYSTEM: The Certificates will be issued in book-entry-only form. A single physical certificate per maturity will be registered in the name of Cede & Co., as nominee for The Depository Trust Company ("DTC"), New York, New York. DTC will act as securities depository for the Certificates. Transfer of the Certificates will be made in book-entry-only form, in the denomination of \$5,000 or any multiple thereof. Purchasers will not receive physical certificates representing their interests in the Certificates. Clearance is expected to be available through DTC and also through Clearstream and Euroclear, which will hold omnibus positions on behalf of their participants in the books of their respective depositories. The global book-entry system is described further in the nearly final offering circular for the Certificates.

TRUSTEE, PAYING AGENT AND DATE OF RECORD: The Huntington National Bank, Columbus, Ohio, has been selected as trustee and paying agent (the "Trustee") for the Certificates. The Trustee will keep records of the registered owners of the Certificates, serve as transfer agent for the Certificates, authenticate the original and any re-issued Certificates and pay interest by check or draft mailed to the registered owners of the Certificates as shown on the

registration books of the Funding Trust kept by the Trustee on the applicable date of record. The date of record for each interest payment shall be the 15th day of the month before such payment is due. The principal of and redemption premium, if any, on the Certificates will be paid when due upon presentation and surrender thereof to the Trustee. As long as DTC, or its nominee Cede & Co., is the registered owner of the Certificates, payments will be made directly to such registered owner. Disbursement of such payments to DTC participants is the responsibility of DTC and disbursement of such payments to the beneficial owners of the Certificates is the responsibility of DTC participants and indirect participants as described in the nearly final offering circular for the Certificates. The County may from time to time as required designate a successor trustee and paying agent.

OPTIONAL REDEMPTION: Certificates maturing prior to _____ 1, _____, shall not be subject to redemption prior to maturity. Certificates maturing on and after _____ 1, _____ shall be subject to redemption in whole or in part on any interest payment date on and after _____ 1, _____, and in any order, at the option of the Funding Trust, at par, plus accrued interest to the date fixed for redemption.

[INSERT FINAL VERSION OF REDEMPTION PROVISIONS]

Notice of Redemption shall be mailed by first-class mail, not less than 30 days nor more than 45 days before the Redemption Date, to the Registered Holder of this certificate, as shown on the Certificate registry kept by the Trustee, but neither failure to receive notice of redemption given as provided in the trust agreement dated _____ 1, 200_ (the "Trust Agreement") nor any defect in the notice so mailed shall affect the sufficiency of the proceedings for redemption of any Certificates for which no failure or deficiency occurred. The Trust Agreement provides that the Trustee shall provide additional notice that provides material compliance with Securities Exchange Act Release No. 34-23856 (December 3, 1986) as the same may be modified, amended or supplemented from time to time by formal action of the Securities and Exchange Commission or by generally accepted practice of corporate trustees. No failure to give such additional notice or defect therein or in the manner in which given shall affect the sufficiency of the proceedings for the redemption of any Certificates.

PURPOSE AND SECURITY: The Certificates will be issued pursuant to the 2008 Washtenaw County Retiree Medical Benefits Funding Trust Agreement dated as of _____ 1, 200_ between the County and the Trustee (the "Trust Agreement"), approved by an ordinance adopted by the Washtenaw County Board of Commissioners on _____, 200_ (the "Ordinance") pursuant to the authority granted to the Board of Commissioners by Section 11 Act No. 156 of Public Acts of Michigan of 1851, as amended. The Certificates will be issued to provide moneys to fund on the date of original delivery of the Certificates specific amounts of the County's estimated unfunded accrued actuarial retiree medical benefits liabilities and to pay costs of issuance of the Certificates. The Certificates will be payable from scheduled payments (the "Scheduled Payments") and contract charges (the "Contract Charges") to be paid by the County to the Trustee under the Trust Agreement pursuant to the 2008 Washtenaw County Retiree Medical Benefits Contract dated as of _____ 1, 200_ between the County and the Funding Trust (the "Contract"), which was also approved by the Ordinance.

The Certificates are payable solely from all Contract Payments which may be received by the Trustee pursuant to the Contract. Such Contract Payments will include all Scheduled Payments and Contract Charges payable by the County under the Contract, corresponding to the principal of and interest on the Certificates. The County's obligations to make Contract Payments are unsecured contractual obligations of the County, enforceable in the same manner as any other contractual obligation of the County. Such payment obligations of the County are not general obligations of the County, and neither the faith and credit, taxing power nor any

specific revenues of the County are pledged to the Contract Payments coming due under the Contract.

The County's unconditional contractual obligation to pay all Contract Payments is not "subject to appropriation," as is customary with many certificate of participation transactions entered into by municipalities in the United States. The County's Contract is not subject to termination if the County were to fail to appropriate sufficient amounts for the required payments in any single year. The County is legally bound to make all Contract Payments for the full term of the Contract, and statutory remedies, including, but not limited to, the Revised Judicature Act of 1961, Act No. 236 of the Michigan Public Acts of 1961, as amended, (Michigan Compiled Laws Section 600.6093), exist to enforce the County's obligations.

INSURANCE AT PURCHASER'S OPTION: If the Certificates qualify for issuance of any policy of insurance or commitment therefor at the option of the bidder/purchaser, the purchase of any such insurance policy or the issuance of any such commitment shall be at the option and expense of the purchaser of the Certificates. Any increased costs of issuance of the Certificates resulting from such purchase of insurance shall be paid by the purchaser. Any additional rating agency fees shall be the responsibility of the purchaser. FAILURE OF THE INSURER TO ISSUE THE POLICY AFTER THE CERTIFICATES HAVE BEEN AWARDED TO THE PURCHASER SHALL NOT CONSTITUTE CAUSE FOR FAILURE OR REFUSAL BY THE PURCHASER TO ACCEPT DELIVERY OF THE CERTIFICATES FROM THE FUNDING TRUST.

GOOD FAITH DEPOSIT: A certified or cashier's check drawn upon an incorporated bank or trust company or a financial surety bond in the amount of \$_____ and payable to the order of the Washtenaw County Finance Director (the "Finance Director"), as agent for the Funding Trust in formation, must be deposited with the Finance Director within four hours of being notified by the Finance Director that the bid is accepted on the part of the bidder, to be forfeited as liquidated damages if such bid be accepted and the bidder fails to take up and pay for the Certificates. If a financial surety bond is used, it must be from an insurance company licensed to issue such a bond in the State of Michigan and such bond must be submitted to the Finance Director prior to the opening of the bids. If the Certificates are awarded to a bidder utilizing a financial surety bond, then that purchaser is required to submit its good faith deposit to the Finance Director in the form of a cashier's check (or wire transfer such amount as instructed by the Finance Director or Municipal Financial Consultants Incorporated, whose contact information is listed below) not later than twelve 12 o'clock noon, Eastern Time, on the next business day following the award. The good faith deposit will be applied to the purchase price of the Certificates. No interest shall be allowed on the good faith checks, and checks of each unsuccessful bidder will be promptly returned to such bidder's representative or by registered mail. The good faith check of the successful bidder will be cashed immediately, in which event payment of the balance of the purchase price of the Certificates shall be made at the closing

AWARD OF THE CERTIFICATES – TRUE INTEREST COST: The Certificates will be awarded to the bidder whose bid produces the lowest true interest cost determined in the following manner: the lowest true interest cost will be the single interest rate (compounded on _____ 1, _____ and semi-annually thereafter) necessary to discount the debt service payments from their respective payment dates to _____, 200_ in an amount equal to the price bid, excluding accrued interest. Each bidder shall state in its bid the true interest cost to the Funding Trust, computed in the manner specified above. The anticipated date of delivery of the Certificates shall not be later than _____, 200_.

LEGAL OPINION: Bids shall be conditioned upon the approving opinion of Axe & Ecklund, P.C., Grosse Pointe Farms, Michigan (the "Certificate Counsel"), a copy of which opinion will be furnished without expense to the Purchaser of the Certificates at the delivery thereof. The

fees of Certificate Counsel for its services in connection with such approving opinion are expected to be paid from Certificate proceeds. Except to the extent necessary to issue such opinion and as described in the offering circular, Certificate Counsel has not been requested to examine or review, and has not examined or reviewed, any financial documents, statements or other materials that have been or may be furnished in connection with the authorization, marketing or issuance of the Certificates and, therefore, has not expressed and will not express an opinion with respect to the accuracy or completeness of the offering circular or any such financial documents, statements or materials.

TAX STATUS: The opinion of Roberts & Holland LLP concludes that the Funding Trust will be treated as a grantor trust under Subpart E, Part I of Subchapter J, Chapter 1 of the Internal Revenue Code of 1986, as amended, each Beneficial Owner of Certificates will be treated as the owner of an undivided pro rata interest in the portion of the Funding Trust attributable to such Beneficial Owner's Certificates and the Contract Payments will constitute payments in respect of indebtedness. Accordingly, the Contract Charges received by the Funding Trust under the Contract will constitute interest in respect of indebtedness for U.S. federal income tax purposes.

CERTIFICATE REGARDING "ISSUE PRICE": The successful bidder will be required to furnish, prior to the delivery of the Certificates, a certificate in a form acceptable to Certificate Counsel, as to the "issue price" of the Certificates within the meaning of Section 1273 of the Internal Revenue Code of 1986, as amended.

DELIVERY OF CERTIFICATES: The Funding Trust will furnish physical certificates ready for execution at its expense. Certificates will be delivered without expense to the purchaser through DTC, New York, New York. The usual closing documents, including a certificate that no litigation is pending affecting the issuance of the Certificates, will be delivered at the time of delivery of the Certificates. If the physical certificates are not tendered for delivery by twelve o'clock noon, Eastern Time, on the 45th day following the date of sale or the first business day thereafter if the 45th day is not a business day, the successful bidder may on that day, or any time thereafter until delivery of the physical certificates, withdraw its bid by serving written notice of cancellation on the undersigned, in which event the Treasurer shall promptly return the good faith deposit. Payment for the Certificates shall be made in immediately available funds. Accrued interest to the date of delivery of the Certificates shall be paid by the purchaser at the time of delivery.

UNDERTAKING TO PROVIDE CONTINUING DISCLOSURE: The County will execute and deliver prior to delivery of the Certificates a written continuing disclosure undertaking in order to enable the successful bidder to comply with the requirements of SEC Rule 15c2-12, as amended. The details and terms of the undertaking are set forth in a Continuing Disclosure Undertaking to be executed and delivered by the County, a form of which is included in the nearly final offering circular and in the final offering circular.

OFFERING CIRCULAR:

The successful bidder shall supply to the undersigned, as agent for the Funding Trust in formation, within twenty-four (24) hours after the award of the Certificates, all pricing information and any underwriter identification determined by Certificate Counsel to be necessary to complete the Final Offering Circular.

The County shall deliver at closing an executed certificate to the effect that as of the date of delivery the information contained in the Final Offering Circular, including revisions, amendments and completions as necessary, relating to the County, the Funding Trust and the Certificates is true and correct in all material respects, and that such Final Offering Circular does not contain any untrue statement of a material fact or omit to state a material fact necessary to make statements therein, in light of the circumstances under which they were made, not misleading.

CUSIP NUMBERS: It is anticipated that CUSIP numbers will be assigned to the Certificates and printed on any physical certificates, but neither the failure to print such numbers nor any improperly printed number shall constitute cause for the purchaser to refuse to accept delivery of, or to pay for the Certificates. All expenses for printing CUSIP numbers will be paid by the Funding Trust, except that the CUSIP Bureau charge for the assignment of such numbers shall be the responsibility of and paid for by the purchaser.
