Honorable Washtenaw County Commissioners,

I am honored to have been nominated again to represent the Republican Party for the Washtenaw County Board of Canvassers. I have been involved with the Board of County Canvassers in some way since 1999. I was the part-time staff assigned to support the Canvassers when convened under Clerk/ Register Peggy Haines. I later became an official alternate representing the party. When a vacancy became available, I was appointed to serve.

All members of the Board of Canvassers have been committed to working together for the good of the county. It has been a pleasure to work with the board. As a team we have been diligent in making certain that every vote counts in Washtenaw County.

I thank you for your consideration of my nomination.

Regards,

Kim M. Porter-Hoppe
