

## 2003-2008 Washtenaw Urban County Vision & Goals

**Vision:** The Washtenaw Urban County community is committed to creating housing and economic opportunities to provide a suitable living environment, principally for our low to moderate income residents.

### Goals

- Goal 1** To increase homeowner rehabilitation opportunities for low-moderate income households
- Goal 2** To increase homeownership opportunities for low-moderate income households
- Goal 3** To improve the quality, management, and supply of existing rental property available to low-moderate income households
- Goal 4** To promote community stability through the coordinated delivery of services at designated places
- Goal 5** To increase the quality of life of Urban County and HOME Consortium residents by attending to infrastructure needs in order to reduce safety and health risks to low income residents
- Goal 6** To promote housing stability by addressing identified gaps in public/human services
- Goal 7** To develop plans that will efficiently address concerns that are identified by low to moderate income target areas and other problems within the Urban County and HOME Consortium
- Goal 8** To promote a suitable living environment, improve safety and livability, reduce isolation, support family structures, and facilitate access to mainstream resources for the following special populations: elderly, frail elderly, individuals with severe mental illness, persons with developmental disabilities, individuals with physical disabilities, persons with addictions, and individuals with HIV/AIDS
- Goal 9** To address gaps in support services needs for Homeless individuals in the wider Urban County Community
