SUBJECT: Transfer of Jurisdiction of the Dexter Crossing Plat One Drain
Drainage District to the Dexter Township

BOARD ACTION REQUESTED:

The Drain Commissioner is requesting the Board of Commissioners approve the transfer of jurisdiction of the Dexter Crossing Plat One Drain Drainage District to the Township of Dexter.

BACKGROUND:

Chapter 17, section 395 of the Michigan Drain Code allows the County Drain Commissioner to relinquish jurisdiction and control of a drainage district to a municipality as long as there is no outstanding indebtedness or contract liability and if the district is located within the boundaries of said municipality, provided that a majority of the county board of commissioners approve and a resolution is passed by a governing body of the municipality in which the drain is located.

DISCUSSION:

The Township of Dexter wishes to assume responsibility for the Dexter Crossing Plat One Drain Drainage District located in Dexter Township, and has submitted a resolution requesting relinquishment of jurisdiction and control of this drainage district. (See attached resolution.) There is no outstanding indebtedness or contract liability. The Township of Dexter has agreed to the assignment of easements and to pay all costs associated with the relinquishment of jurisdiction and assignment of easements. The Dexter Township also agrees to assume the maintenance, jurisdiction, control and operation of the drain.

Request for transfer of jurisdiction has been reviewed by my staff and has been discussed with Dexter Township representatives. All requirements have been met. I therefore recommend Board approval of the request by the Dexter Township.
