DATE: November 4, 2009

SUBJECT: Annual Emergency Management Performance Grant

BOARD ACTION REQUESTED:

It is requested that the Board of Commissioners ratify the signature of the Chair of the Board on the Emergency Management FY2010 Work Agreement; ratify the signature of the County Administrator on the Emergency Management Performance Grant Local Budget for FY 2010 and on the State of Michigan FY2010 Emergency Management Performance Grant agreement with the State of Michigan Department of State Police Emergency Management and Homeland Security Division for the period of October 1, 2009 through September 30, 2010 in the amount of \$73,845; and delegate contracts.

BACKGROUND:

Washtenaw County has received pass-through funds supporting Emergency Management operations since 1979. These funds are currently budgeted by the United States Department of Homeland Security (DHS) and passed through each state to local jurisdictions that meet strict capability requirements. Under the Emergency Management Performance Grant program, Michigan counties with a full-time Emergency Management Director and a local emergency program that operates in full compliance with the Michigan Emergency Management Act (P.A. 390 of 1976, as amended) may be reimbursed for up to 50% of the Director's salary and fringe benefits. Washtenaw County's Emergency Management program meets the requirements in all prerequisite categories for reimbursement funding.

DISCUSSION:

DHS requires that agreements be entered into between each state and local emergency management program defining specific preparedness activities and budgeted personnel expenses before a county is qualified to receive federal reimbursement funds. A formal grant agreement is also required once the Michigan State Police Emergency Management and Homeland Security Division, acting as DHS's State Administrative Agency, makes a final allocation determination over the next four months. Our reimbursement has historically varied between 34% and 50% of the Emergency Management Director's salary and fringe benefits.

IMPACT ON HUMAN RESOURCES:

None

IMPACT ON BUDGET:

The state's allocation to Washtenaw County for FY 2008 was \$51,686 or 35.7% of eligible expenses. For FY 2009, our allocation increased to \$53,346 or 36.6%. We expect federal reimbursement funds to be maintained at approximately the same level for the FY 2010 grant cycle, with perhaps a slight decrease due to a reduction in eligible expenses.

IMPACT ON INDIRECT COSTS:

None

IMPACT ON OTHER COUNTY DEPARTMENTS OR OUTSIDE AGENCIES:

None

CONFORMITY TO COUNTY POLICIES:

This request conforms with County policy and the Emergency Management resolution.
