APPENDIX 1

LEASE

THIS LEASE ("Lease") made as of December 1, 2007, by and between the COUNTY OF WASHTENAW, a Michigan municipal corporation (the "County"), and the HUMANE SOCIETY OF HURON VALLEY ("HSHV"), organized and existing under and pursuant to the provisions of _____

W I T N E S S E T H :

WHEREAS, the HSHV is the owner of an existing animal shelter facility (the "Existing Animal Shelter") located on the land in Washtenaw County described in Appendix C (the "Existing Land");

WHEREAS, the HSHV has recently acquired the land described in Appendix D (the "Expansion Land") from the University of Michigan for the purpose of enhancing its service delivery;

WHEREAS, the County intends to construct and outfit an animal shelter principally on the Expansion Land to HSHV's specifications as described in Appendix B (the "New Animal Shelter" or the "Project.")

WHEREAS, HSHV wishes to enter into a ground lease with the County to lease the Leased Premises to the County for the purposes outlined in this document and to lease back the land and improvements described herein for its use.

THEREFORE, IN CONSIDERATION OF THE MUTUAL UNDERTAKINGS AND AGREEMENTS SET FORTH BELOW, IT IS HEREBY AGREED BY AND BETWEEN THE PARTIES TO THIS LEASE AS FOLLOWS:

1. Description of Leased Premises. A description of the Leased Premises has been completed and is attached as Appendix A and includes the Existing Animal Shelter on the Existing Land and the site for the New Animal Shelter principally on the Expansion Land. These documents will be filed with the County Clerk and the Secretary of the Board of HSHV. The New Animal Shelter shall be completed in accordance with the description attached hereto as Appendix B, and plans which are incorporated as part of (but not attached to) this Lease. No substantive changes in such plans shall be made without the written approval of both the County and HSHV.

2. Term; Possession. The HSHV hereby enters into a ground lease with the County and the County does hereby lease back the Leased Premises (including the Existing Animal Shelter and the New Animal Shelter once it is completed) to HSHV as follows:

(a) Upon execution of this Lease, the HSHV shall lease to the County the Leased Premises and all existing improvements thereon.

(b) At the same time, the County shall lease back to the HSHV the Existing Land and the Existing Animal Shelter for a term commencing on the date this Lease is executed and ending on the date all improvements have been completed to the New Animal Shelter on the Expansion Land.

(c) Upon completion of and the right to occupy the portion of New Animal Shelter located on the Expansion Land, HSHV will vacate the Existing Animal Shelter and the Existing Land and its right to occupy such facility will terminate.

(d) Upon the occurrence of 2c above, the County shall lease the portion of the New Animal Shelter located on the Expansion Land to HSHV who shall relocate its operations from the Existing Animal Shelter to the New Animal Shelter.

(e) Upon the completion of 2d above, the County shall demolish the Existing Animal Shelter on the Existing Land and shall construct the balance of the site improvements to be located on the Existing Site that are required to complete the New Animal Shelter per the description and plans contained in Appendix B.

(f) Upon completion of, and the right to occupy the improvements on the Existing Land, the County shall lease back to HSHV all of the Leased Premises and any improvements, including but not limited to the parking lot and other site improvements on the Existing Land and the New Animal Shelter on the Expansion Land, and any other improvements as described in paragraph 10 for the remaining Term of this Lease.

(g) The Term of this Lease (both the lease to the County and leaseback to HSHV) shall terminate on the date that the County's obligations in paragraph 3 are satisfied. Upon termination, HSHV shall have the unencumbered right to occupy the Leased Premises and the New Animal Shelter, and shall possess such land as fee simple owner.

3. Cash Rental. HSHV hereby agrees during the term of this lease to pay to the County as cash rental for the Lease such periodic amounts as shall be sufficient to enable the County to meet its payments on the Project and to pay the principal of and interest on the Bonds as such principal and interest shall become due, whether at maturity or by redemption as described in APPENDIX E. During the term of the Lease or any extensions thereof, HSHV shall pay to the County, at least 15 days before each Bond Payment Date, an amount sufficient to pay the principal and/or interest due on the Bonds on such Bond Payment Date.

HSHV hereby agrees to pay the cash rental payments when due. The obligation of HSHV to make such cash rental payments shall not be subject to any set-off by HSHV nor shall there be any abatement of the cash rental payments for any cause, including, but not limited to, casualty that results in the Project being untenable.

4. Maintenance and Repairs. HSHV shall, at its own expense, operate and maintain the Leased Premises and any improvements on the land and shall keep the same in good condition and repair. Operation and maintenance shall include (but not be limited to) the providing of all personnel, equipment, all light, power, heat, water, sewerage, drainage and other utilities, and all properties and services of whatever nature, as shall be necessary or expedient in the efficient and lawful operation and maintenance of the Leased Premises. Premiums for insurance required to be carried under this Lease shall likewise be deemed operation and maintenance expenses.

5. Property and Liability Insurance. HSHV will maintain the following insurance coverages: (1) property insurance equal to the replacement cost of the Existing Animal Shelter during HSHV's occupancy of that facility and the New Animal Shelter during HSHV's occupancy of that facility, which shall cover losses in a manner equivalent to property insurance coverage specified by Insurance Service Office special cause of loss form CP 10 30; and (2) boiler and machinery insurance or its equivalent for the replacement value of property damaged by the boiler. Such insurance shall cover the perils of boiler explosions, breaking asunder and other boiler and machinery perils. The County and HSHV shall be named as a loss payee, as their interests may appear.

If a building or buildings on the Leased Premises are partially or totally destroyed, or are made unusable for any reason, the rental payments provided for in Article 3 shall continue unabated. If there is a loss, any insurance proceeds shall be used to retire the Debt according to the Debt Retirement Schedule if the building (or buildings) is not repaired or replaced.

HSHV shall provide and maintain during the Term of this Lease liability insurance against loss on account of damage or injury to persons or property, imposed by reason of the ownership, possession, use, operation, maintenance or repair of the Project.

HSHV shall pay the insurance premiums to procure the insurance coverages under this Article.

6. Waiver of Subrogation. To the extent that it is lawful to do so, and up to the amount of the loss proceeds:

(a) The parties to this Lease expressly waive and release any cause of action or right of recovery which they may have hereafter against each other for any loss or damage to the Leased Premises, or to the contents thereof belonging to any of the parties to this Lease, caused by fire, explosion or any other risk covered by insurance and,

(b) Each party shall obtain a waiver from any insurance carrier with which it carries fire, explosion, or any other risk covering insuring the buildings, improvements and contents releasing its subrogation rights against any other party.

7. No Unlawful Use Permitted. The Leased Premises shall be used for HSHV's lawful public purposes and shall not be used or permitted to be used in any unlawful manner or in any manner which would violate the provisions of any contract or agreement between HSHV and the County and any third party. HSHV shall, at its own expense, make any changes or alterations in, on or about the Leased Premises which may be required by any applicable statute, charter or governmental regulation or order and shall hold the County harmless and free from all costs or damages with respect thereto.

8. Alterations of Leased Premises. Subject to the County's rights under this Lease, HSHV may install or construct in or upon, or may remove from, the Leased Premises any equipment, fixtures or non-structural items. Any structural changes to the Leased Premises must be mutually agreed upon by the parties. Approval of such changes by the County shall not be unreasonably withheld.

9. Rights of Inspection. The County, through its officers, employees or agents, may, upon reasonable notice to HSHV, enter upon the Leased Premises to inspect the Leased Premises and determine whether HSHV is complying with the covenants, agreements, terms and conditions of this Lease so long as such inspection does not interfere with HSHV's regular operations.

10. Appurtenant Facilities and Common Areas. The Leased Premises includes, or will include, roadways, walks, drives, parking areas and landscaping and common areas which are of benefit to and necessary to the full use and enjoyment of the Leased Premises.

11. Successors and Assigns. This Lease shall inure to the benefit of, and be binding upon, the respective parties hereto and their successors and assigns, provided, however, that no assignment shall be made in violation of the terms of this Lease nor shall any assignment be made by HSHV without the approval of the County.

12. Consents, Notices, Etc. The right to give any consent, agreement or notice required or permitted in this Lease shall be vested, in the case of the County, in its Board of Commissioners, and in the case of HSHV, in its Board. Any notice required or permitted to be given under this Lease shall be given by delivering the same, in the case of the County, to the County Clerk, and in the case of HSHV, to the Secretary of its Board.

13. Changes in Law or Corporate Status. In the event there shall occur changes in the Constitution or statutes of the State of Michigan which shall affect the organization, territory, powers of corporate status of HSHV or the County, the terms and provisions of this Lease shall be unaffected, thereby insofar as the obligation of HSHV to make the cash rental payments is concerned. The proceeds of any sale or other liquidation of any interest of HSHV in the Leased Premises are hereby impressed with a first and prior lien for payment of any outstanding obligations of HSHV with respect to the Leased Premises or any additions or improvements thereto.

14. Default of HSHV. (a) In the event of any failure of HSHV to pay any rental or other charges due hereunder within ten (10) days after the same may be due, or any failure to perform any other of the terms, conditions or covenants of this Lease to be observed or performed by HSHV for more than 30 days after written notice of such default shall have been mailed to HSHV, or if HSHV shall abandon the Leased Premises, then the County, in addition to other rights or remedies it may have, shall have the right to declare this Lease terminated and/or shall have the immediate right of re-entry and may remove all persons and property from the Leased Premises, subject to any deed restrictions on the Leased Premises, and such property may be removed or stored in a public warehouse or elsewhere at the cost of, and for the account of HSHV, without evidence of notice or resort to legal process and without being deemed guilty of trespass, or becoming liable for any loss or damage which may be occasioned thereby except that no such action shall violate the terms of the Deed whereby HSHV acquired title to the Leased Premises. In the alternative, if no other action is permitted because of the deed restrictions on the Leased Premises, the term of this Lease shall be extended until all rental payments are paid in full.

(b) Subject to any deed restrictions on the Leased Premises should the County elect to re-enter or take possession pursuant to legal proceedings or any notice provided for by the County, the County may either terminate this Lease or from time to time, without terminating this Lease, relet the premises or any part thereof on such terms and conditions as the County shall in its sole discretion deem advisable. The avails of such reletting shall be applied: first, to the payment of any reasonable costs of such reletting, including the costs of any reasonable alterations and repairs to the premises; second, to

the payment of any indebtedness of HSHV to the County other than rent due and unpaid hereunder; and the residue, if any, shall be held by the County and applied in payment of future rent as the same may become due and payable hereunder. Should the avails of such reletting during any month be less than the monthly rent reserved hereunder, then HSHV shall during each such month pay such deficiency to the County.

(c) All rights and remedies of the County hereunder shall be cumulative and none shall be exclusive of any other rights and remedies allowed by law.

15. Signs. The parties agree that HSHV may post signs on the Leased Premises indicating its presence on the Leased Premises.

16. Quiet Possession. Upon HSHV's performance of the covenants, conditions and provisions under this Lease, HSHV shall have quiet possession of the Leased Premises for the entire period of the Lease.

17. Total Agreement. This Lease memorializes all the prior discussions, understandings and agreements involved in negotiating this Lease. No provision of this Lease may be amended or added to except by written agreement signed by both parties.

18. Severability. Any provision of this Lease which is found by a court of competent jurisdiction to be invalid, void or illegal shall in no way affect, impair or invalidate any other provisions contained in this Lease and such other provisions shall remain in full force and effect.

19. Choice of Law. This Lease shall be governed by Michigan law.

IN WITNESS WHEREOF, HSHV, by its Board and the COUNTY OF WASHTENAW, by its Board of Commissioners, have caused this Lease to be signed by their duly authorized officers, and their seals to be affixed hereto, all as of the day and year first above written.

No such amendment shall be made unless it does not materially impair the interests of beneficial owners of the Securities, as determined by nationally recognized bond counsel. The annual financial information containing any amended operating data or amended financial information will explain, in narrative form, the reasons for the amendment and the impact of the change in the type of operating data or financial information being provided.

If an amendment is made to the Undertaking specifying the accounting principles to be followed in preparing financial statements, the annual financial information for the year in which the change is made will present a comparison between the financial statements or information prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. The comparison will include a qualitative discussion of the differences in the accounting principles and the impact of the change in the accounting principles on the presentation of the financial information, in order to provide information to investors to enable them to evaluate the ability of the Issuer or any obligated person to meet its obligations. To the extent reasonably feasible, the comparison will also be quantitative. A notice of the change in the accounting principles will be sent to each then existing NRMSIR or the MSRB, and to the SID, if any.

MEMORANDUM

TO: Barbara Bergman, Chair
Ways & Means Committee

THROUGH: Robert E. Guenzel
County Administrator

FROM: Gordon Burger, Director
Support Services Infrastructure & Planning

DATE: December 5, 2007

SUBJECT: Contract with I.S.C.G.

BOARD ACTION REQUESTED:

It is requested that the Board of Commissioners authorize the County Administrator to sign a contract with I.S.C.G. to serve as the certified Haworth furniture distributor for a three-year period expiring November 15, 2010.

BACKGROUND:

The first RFP for furniture was for Mental Health in 1993 Bid #5364 for a spot purchase and was given to vendors ATD-American, Silvers, and Business Resources.

In 1995 the County determined to standardize the brand of furniture to be used throughout County facilities. The County determined that Haworth furniture should be the standard to be followed for County furniture. This decision was made, in part, because the majority of the furniture owned by the County was manufactured by Haworth. Thus, having Haworth as the furniture standard for the County provided the County with the opportunity to ensure continual compatibility and redistribution for future needs as needed. By retaining a single manufacturer, the County also will save costs over a period of time. For example, the County reuses the purchased Haworth furniture as needed, therefore only purchasing new furniture when required to do so to meet a project needs. In addition, the County saves on design costs for internal projects when 50% or more of the furniture is purchased. This has saved the county hundreds of thousands of dollars over the past few years.

Haworth manufactured furniture outfits 90% of the County's desk stations for departmental staff. The remaining 10% is covered under either Gunlock or Kimball

which outfits the Departmental Director's within the County and is not covered by the proposed Contract.

The first County-wide bid for a Haworth certified distributor was Bid #5510 due back on 6/16/1995. The three-year contract was awarded to ISCG as the low bidder. Subsequent RFP's for this service were issued in 1998 (Bid #5705), 2001 (Bid #5947) and 2004 (Bid # 6158). ISCG was awarded the contract as the low bidder for each of these RFP's.

The current contract was set to expire in November, 2007. Accordingly, the County released RFP #6360 seeking bids for a Haworth certified distributor to fulfill the County's furniture needs for the next three years. This RFP was open for potential bids for a six-week period. Again, ISCG was the low bidder and was tentatively awarded the contract. Pursuant to the Board of Commissioner's Policy, however, since the proposed contract would most likely exceed \$100,000.00, it was subject to a seven business day review by the Board of Commissioners. During this review period, one Commissioner requested that the proposed contract with ISCG be forwarded to the full Board at the next Ways & Means Committee meeting.

DISCUSSION:

As noted above, the County released an RFP on September 13, 2007 (RFP #6360) which was due back from potential bidders no later than October 30, 2007 as the current contract was due to expire in November 2007. The RFP was released for the purpose of accepting bids from companies that were certified Haworth furniture distributors.

The standard Haworth furniture that the County uses is Premise freestanding, HE-Improv desk and guest chairs, and Premise panels. Other Haworth items are purchased, but not in great quantity. The County received four bids from certified Haworth distributors, Michigan State Industries, Space Inc., Aiera and I.S.C.G. ISCG was awarded the contract as the certified HAWORTH distributor as the low bidder in accordance with the County's procurement policies and procedures.

IMPACT ON HUMAN RESOURCES:

There is no impact on Human Resources.

IMPACT ON BUDGET:

The costs associated with purchasing furniture is budgeted.

IMPACT ON INDIRECT COSTS:

There is none.

IMPACT ON OTHER COUNTY DEPARTMENTS OR OUTSIDE AGENCIES:

There is none.

CONFORMITY TO COUNTY POLICIES:

This resolution conforms to the County's Procurement Policies and Procedures.

A RESOLUTION AUTHORIZING THE ADMINISTRATOR TO SIGN A CONTRACT WITH I.S.C.G. TO PROVIDE HAWORTH CERTIFIED FURNITURE FOR THE COUNTY IN ACCORDANCE WITH RFP #6360 FOR A THREE YEAR PERIOD EXPIRING NOVEMBER 15, 2010

WASHTENAW COUNTY BOARD OF COMMISSIONERS

December 5, 2007

WHEREAS, the County issued its first RFP for furniture on behalf of Mental Health in 1993; and

WHEREAS, in 1995, as a cost cutting move, the county standardized its furniture and selected the furniture manufactured by Haworth as the County standard; and

WHEREAS, the county took many considerations into selecting Haworth as the standard, such as the fact that at that time a majority of the furniture already owned was Haworth furniture, the life expectancy of the furniture, and the compatibility or reuse of the furniture; and

WHEREAS, since choosing Haworth as the County standard for furniture, the County has saved thousands of dollars in reusable furniture and design costs; and

WHEREAS, Haworth manufactured furniture outfits 90% of the County's desk stations for departmental staff, while the remaining 10% is covered under either Gunlock or Kimball which outfits the Departmental Director's within the County; and

WHEREAS, while Haworth is the manufacturer of the furniture, it utilizes certified distributors for the purpose of selling its products; and

WHEREAS, the first County-wide bid seeking vendors who were certified distributors for Haworth furniture was in June 1995 (Bid #5510), with the bid ultimately being awarded to ISCG for 3 years as the low bidder; and

WHEREAS, the County released subsequent bids seeking certified Haworth furniture distributors in July 1998 (Bid #5705), August 2001 (Bid #5947), and September, 2004 (Bid #6158); and

WHEREAS, for each of these bids, ISCG, as the low bidder, was chosen as the certified Haworth furniture distributor for the County; and

WHEREAS, the County released an RFP on September 13, 2007 (RFP #6360) again seeking certified Haworth furniture distributors which was due back from potential bidders no later than October 30, 2007 as the current contract was due to expire in November 2007; and

WHEREAS, the RFP seeks those certified Haworth furniture distributors who will be responsible for the design, supply, installation and storage of Haworth furniture for the County; and

WHEREAS, the County received four bids from the following Haworth certified distributors: (1) Michigan State Industries; (2) Space Inc.; (3) Aiera; and (4) I.S.C.G.; and

WHEREAS, in accordance with the County's Procurement Policies and Procedures, the contract was awarded to ISCG as it was the lowest bidder responding to the RFP; and

WHEREAS, this matter has been reviewed by Corporation Counsel, the Budget Office, the Finance Department, the County Administrator's Office and the Ways & Means Committee

NOW THEREFORE BE IT RESOLVED, that the Washtenaw County Board of Commissioners hereby authorizes the County Administrator to sign the contract with I.S.C.G. for the three year period expiring November 15, 2010 for the purpose of providing Haworth certified furniture as procured by the County.

SUBJECT: Amending the Planning Advisory Board Bylaws

BOARD ACTION REQUESTED

It is requested that the Board of Commissioners approve the amended Bylaws for the Planning Advisory Board (PAB) to reflect a modification to PAB membership, as well as some clean-up language related to the timing of establishing the annual nominating committee, annual election of officers, regular agenda items and voting procedures.

BACKGROUND

The PAB was created by the Board of Commissioners on September 18, 2002 (Resolution 02-0175). Bylaws for the PAB were Approved by the Board of Commissioners on March 19, 2003 (Resolution 03-0055); and on April 7, 2004 (Resolution 04-0066) the Board of Commissioners approved Revised Bylaws for the PAB as it related to election of officers.

The PAB was established five years ago with an initial focus of creating *A Comprehensive Plan for Washtenaw County ("Comprehensive Plan")*. PAB membership was established to be reflective of various County Departments and outside agencies that could provide technical expertise related to specific elements within the Comprehensive Plan. The Comprehensive Plan was developed and subsequently adopted by the Board of Commissioners on September 22, 2004 (Resolution 04-0181) and has eleven elements of focus and one hundred and eighty plus recommendations. Additionally, the entire Comprehensive Plan is interspersed with regional efforts and one of the eleven elements is exclusively focused on Intergovernmental Cooperation and regional opportunities.

DISCUSSION

The Planning & Environment Department and its many stakeholder departments and outside agencies have been working on the implementation of many of the recommendations since the Comprehensive Plan's adoption. Through these ongoing implementation actions, the lack of local government input and representation has become a recurring theme. With that consideration, the PAB has been having ongoing dialogue on revising its membership to include more local government representation. At the PAB Retreat held on August 22, 2007 this ongoing conversation led to the PAB's decision to revise its membership to include

representation from the five local Regional Groups (Chelsea Area Planning Team/Dexter Area Regional Team, Milan Organizational Region for Excellence, Saline Sustainability Circle, Southwest Washtenaw Council of Governments, and Washtenaw Metro Alliance) and related agency representation (economic development, transportation and community development/urban county). This action was taken as a way to ensure local government and related agency membership and opportunities for broader community participation as it relates to the implementation of the comprehensive plan.

The PAB unanimously voted to amend their Bylaws to reflect these changes at its November 26, 2007 meeting. The amended bylaws and draft resolution are attached as part of this memorandum.

IMPACT ON PERSONNEL

No impacts are indicated for this resolution

IMPACT ON BUDGET

A very slight increase in Per Diem expense (\$300/year maximum) for the one additional Planning Advisory Board member is expected to impact the Department of Planning and Environment's general fund budget.

IMPACT ON INDIRECT COSTS

There will be no impact on indirect costs.

IMPACT ON OTHER COUNTY DEPARTMENTS OR OUTSIDE AGENCIES

This project will provide a strong foundation for local government and regional partnerships and participation of Comprehensive Plan implementation actions.

CONFORMITY TO COUNTY POLICIES

This action is in conformance with County policies.
