Res. No. 08-0180

A RESOLUTION AFFIRMING THE SECOND YEAR OF THE 2008/2009 BIENNIAL COUNTY BUDGET

WASHTENAW COUNTY BOARD OF COMMISSIONERS

October 15, 2008

WHEREAS, in 1993, the County implemented a biennial budget in an effort to improve the efficiency of the entire budget process; and

WHEREAS, the County Administrator was directed to prepare the 2008 budget for approval and adoption, and the 2009 budget based on information available at the time; and

WHEREAS, on September 19, 2007 the County Administrator presented the budget for 2008 and 2009; and

WHEREAS, the Board of Commissioners directed that the 2009 budget be amended in 2008 to reflect necessary revisions as economic conditions warranted and that the County Administrator bring the necessary changes to the 2009 budget back to the Board prior to the beginning of fiscal year 2009 for final adoption; and

WHEREAS, the proposed budget for fiscal year 2009 is on file with the County Clerk/Register; and

WHEREAS, revenues have been estimated by source for each fund and are sufficient to defray expenditures and meet all liabilities for the 2009 fiscal year; and

WHEREAS, the 2009 budget includes a reduction of approximately \$15 million over originally adopted in November 2007 due to a downward turn in property tax revenue and other key economic variables; and

WHEREAS, the Board of Commissioners adopted over \$10 million of these reductions in April 2008 in resolution 08-0082 instructing the County Administrator to pursue additional opportunities to reduce the cost of doing business and to bring a completed balanced budget later in the year; and

WHEREAS, the budget includes an assumed attrition factor of ~1.5% for all general fund supported units anticipated to save the General Fund over \$620K; and

WHEREAS, the County Administrator looked to Support Services to restructure to realize savings of approximately \$2.4 million through the elimination of 24 FTE, moving 2.0 FTE to revenue generating status, and creating 1.0 FTE lower grade position; and

WHEREAS, the Support Services reorganization includes the approval of the transfer of the Library for the Blind and Physically Disabled to the Ann Arbor District Library with the agreement that services will continue to be offered to all eligible county residents; and

WHEREAS, the Support Services reorganization also includes the merging of the Planning Services division of the current Planning & Environment department to better align internal and external planning efforts; and

WHEREAS, the Public Health Official will resume authority for the Environmental Health services effective January 1, 2009 as is authorized within statute; and

WHEREAS, the Trial Court is establishing a focus on collections which is anticipated to generate \$200K in new revenue; and

WHEREAS, negotiations for budget reductions within the Trial Court are ongoing with a lump sum reduction incorporated into the budget in the amount of \$250K with the Trial Court not in agreement with this amount at this time; and

WHEREAS, the 2009 budget includes a reduction in the Sheriff's expenditure budget of \$500K with details on how to materialize these savings being determined after the new Sheriff is elected in November 2008; and

WHEREAS, the General Fund indigent care funding in support of ICA-based DSH payments is being reduced by \$110K with the anticipation of ending the Third Share Program and moving those clients into other programs where possible; and

WHEREAS, the increase in Medicaid capitation rates allows for the county to further reduce its appropriation to CSTS, partially contingent upon attrition being realized; and

WHEREAS, position reductions are recommended in several county departments including County Administration, Public Defender, Prosecuting Attorney, Emergency Management, Clerk / Register of Deeds and Equalization; and

WHEREAS, the 2009 budget includes General Fund appropriation reductions in the amount of \$100K for ETCS, \$40K for Community Development and \$20K in the Community Collaborative of Washtenaw County; and

WHEREAS, the budget includes the establishment of a Veterans Relief Fund whereby it is anticipated, upon approval by the Board of Commissioners in a separate resolution, the county will levy 1/40th mills as allowed by Public Act 214 to carry out services to indigent local veterans and their eligible family members thereby reducing the level of General Fund support by \$234K; and

WHEREAS, the proposed budget for fiscal year 2009 is based on an operating millage rate of 4.5493 mills and the Administrator will adjust the 2009 budget should the millage be otherwise; and

WHEREAS, the public hearing on the proposed amended 2009 Budget was held on Wednesday, October 1, 2008 in compliance with Section 2 of P.A. 1963, 2nd Ex. Session (M.C.L.A. 141.412), Section 24e of Act 206; and

WHEREAS, this matter has been reviewed by the County Administrator's Office, the Finance Office, Human Resources, Corporation Counsel and the Ways & Means Committee.

NOW THEREFORE BE IT RESOLVED that the Washtenaw County Board of Commissioners hereby affirms the 2009 Operating Budget as the official budget and the position changes for the County of Washtenaw for the fiscal year beginning January 1, 2009, as attached hereto and made a part hereof.

BE IT FURTHER RESOLVED that the Board of Commissioners hereby reaffirms the budget policies as adopted in the 2008/09 resolution as November 14, 2007.

BE IT FURTHER RESOLVED that the Board of Commissioners hereby authorizes the Administrator to modify the Sheriff's budget and position control upon final negotiation with the still to be elected Sheriff.

BE IT FURTHER RESOLVED that the Board of Commissioners hereby authorizes the Administrator to modify the Sheriff's budget for overtime reimbursement by contracting entities to align the budget with current year projections.

BE IT FURTHER RESOLVED that the Board of Commissioners hereby rescinds the interagency agreement between Public Health and Environmental Health effective 1/1/09 as the Public Health Officer will assume full responsibility for Environmental Health services thereby making an interagency agreement no longer necessary.

BE IT FURTHER RESOLVED that the Board of Commissioners hereby continues its support to non General Fund departments by way of General Fund appropriation modifications for personnel cost changes and authorizes the Administrator to adjust the budget to align the General Fund appropriations between funds.

BE IT FURTHER RESOLVED that the Board of Commissioners hereby rescinds any policy that is in conflict with this document.

BE IT FURTHER RESOLVED that the Board of Commissioners directs that the Budget be adopted by fund, and agency within each fund, as follows:

DATE: November 5, 2008

SUBJECT: Public Hearing on November 19, 2008 to Receive Comment on the Adoption of the Proposed Amendment to the Washtenaw County Brownfield Plan for the City of Ann Arbor's "Maple Shoppes" Brownfield Redevelopment Plan.

BOARD ACTION REQUESTED:

It is requested that the Washtenaw County Board of Commissioners consider approval of the attached Resolution, calling for a Public Hearing to be held before the Washtenaw County Board of Commissioners on November 19, 2008. The Public Hearing, as stipulated by State of Michigan law, will serve as the mechanism for citizens to provide comment on the proposed Amendment to the Washtenaw County Brownfield Plan for the City of Ann Arbor's "Maple Shoppes" Brownfield Redevelopment Plan, prior to the Board of Commissioners consideration of its approval.

BACKGROUND:

In May of 1999, the Washtenaw County Board of Commissioners established the Washtenaw County Brownfield Redevelopment Authority (WCBRA) through Resolution 99-0110, and subsequently appointed members to its Board the same year (Res. 99-0122). In October of 2000, Commissioners adopted the Brownfield Redevelopment Plan (Plan) for Washtenaw County. All subsequent projects are Amendments to this Plan and require consideration of approval by the BOC. On January 22, 2002, the City of Ann Arbor joined the WCBRA as a municipal member, by adoption of a resolution.

DISCUSSION:

The Washtenaw County Board of Commissioners has demonstrated its support for the sustainable redevelopment of environmentally distressed sites in Washtenaw County. By establishing and supporting the Brownfield Redevelopment Authority and its Board, the Commissioners have begun the process to transform underutilized brownfields into productive properties. Pursuant to the State of Michigan Brownfield Redevelopment Financing Act (P.A. 381 of 1996, as amended), the WCBRA is preparing an Amendment to the Washtenaw County Brownfield Plan for the City of Ann Arbor's "Maple Shoppes" Brownfield Redevelopment Plan for the reimbursement of Michigan Department of Environmental Quality (MDEQ) eligible activities (which include environmental due care activities and work plan preparation) and Michigan Economic Growth Authority (MEGA) eligible activities (which include lead and asbestos abatement, demolition, public infrastructure improvements, site preparation and work plan preparation). The Amendment must be submitted to the Washtenaw County Board of Commissioners for adoption. Prior to that adoption, the law stipulates that a Public Hearing be held.

The "Maple Shoppes" project investment is estimated at \$7.8 million and will include mixed-use commercial development on a brownfield site located in the City of Ann Arbor. The Plan proposes the capture of tax increment revenues to reimburse approximately \$1,209,027 in eligible activities, interest, authority administration costs and local site remediation revolving fund deposit.

IMPACT ON PERSONNEL:

None

IMPACT ON BUDGET:

None

IMPACT ON INDIRECT COSTS:

None

IMPACT ON OTHER COUNTY DEPARTMENTS OR OUTSIDE AGENCIES:

In collaboration with the City of Ann Arbor who has joined the WCBRA to be included in the redevelopment zone, notice of this Public Hearing will allow for public comment on the proposed Amendment to the Washtenaw County Brownfield Plan.

CONFORMITY TO COUNTY POLICIES

The resolution conforms to County policies, and has been reviewed by Corporation Counsel, Finance and County Administration

DATE: November 5, 2008

SUBJECT: Public Hearing on November 19, 2008 to Receive Comment on the Adoption of the Proposed Amendment to the Washtenaw County Brownfield Plan for the City of Ann Arbor's "2800 Jackson" Brownfield Redevelopment Plan.

BOARD ACTION REQUESTED:

It is requested that the Washtenaw County Board of Commissioners consider approval of the attached Resolution, calling for a Public Hearing to be held before the Washtenaw County Board of Commissioners on November 19, 2008. The Public Hearing, as stipulated by State of Michigan law, will serve as the mechanism for citizens to provide comment on the proposed Amendment to the Washtenaw County Brownfield Plan for the City of Ann Arbor's "2800 Jackson"(formerly Michigan Inn) Brownfield Redevelopment Plan, prior to the Board of Commissioners consideration of its approval.

BACKGROUND:

In May of 1999, the Washtenaw County Board of Commissioners established the Washtenaw County Brownfield Redevelopment Authority (WCBRA) through Resolution 99-0110, and subsequently appointed members to its Board the same year (Res. 99-0122). In October of 2000, Commissioners adopted the Brownfield Redevelopment Plan (Plan) for Washtenaw County. All subsequent projects are Amendments to this Plan and require consideration of approval by the BOC. On January 22, 2002, the City of Ann Arbor joined the WCBRA as a municipal member, by adoption of a resolution.

DISCUSSION:

The Washtenaw County Board of Commissioners has demonstrated its support for the sustainable redevelopment of environmentally distressed sites in Washtenaw County. By establishing and supporting the Brownfield Redevelopment Authority and its Board, the Commissioners have begun the process to transform underutilized brownfields into productive properties. Pursuant to the State of Michigan Brownfield Redevelopment Financing Act (P.A. 381 of 1996, as amended), the WCBRA is preparing an Amendment to the Washtenaw County Brownfield Plan for the City of Ann Arbor's "2800 Jackson" Brownfield Redevelopment Plan for the reimbursement of Michigan Economic Growth Authority (MEGA) eligible activities (which include asbestos abatement, demolition, site preparation and plan preparation). The Amendment must be submitted to the Washtenaw County Board of Commissioners for adoption. Prior to that adoption, the law stipulates that a Public Hearing be held.

The "2800 Jackson" preliminary redevelopment plans estimate a project investment of \$28 million. The preliminary concept plan will include mixed-use development on a brownfield site located in the City of Ann Arbor. The Plan proposes the capture of tax increment revenues to reimburse approximately \$659,055 in eligible activities, interest, authority administration costs and local site remediation revolving fund deposit.
