ACCESSIBLE VOTING DEVICE OPEN HOUSE

New voting equipment is coming to all
Washtenaw County polling locations

You're invited to try the County's new accessible device that enables all voters, including those with disabilities, to mark ballots privately and independently. This accessible ballot marking device includes an audio ballot reader and accommodates adaptive devices such as a sip-and-puff. Attendees will be able to mark and cast a demonstration ballot. County Clerk's office staff will be present to answer questions.

OCTOBER 20, 2017
12:00 to 4:00 PM
at the
Ann Arbor Center for
Independent Living
3941 Research Park Drive
Ann Arbor, MI 48108
info@aacil.org
