

THE LAMP: NEWS FROM THE COUNTY CLERK

Lawrence Kestenbaum, Clerk/Register of Deeds

From Our Office

It's finally here. Election Day is only hours away. In preparation for anything that may come up tomorrow night we would like to remind clerks that several members of the County Clerk's Election staff will be out and about delivering last minute supplies or helping out in any way necessary. Please call our office at 734-222-6730, or contact Derrick Jackson at 734-891-2243 if you need any assistance. We will also have a team of "closers" who will be out later in the evening to assist polling locations that may need help sorting out the close of polls. If you have a polling location that needs assistance please contact us and we will send someone out immediately.

One additional note on closing the polls -- we've been told to expect people present at the closing of the polls, and they will likely be asking for copies of the Total Report Tapes. Please give your workers a heads-up so that do not feel overwhelmed at the end of the day. Thank you!
