

We, the undersigned, registered and qualified voters of the Charter Township of Pittsfield, in the County of Washtenaw, and the State of Michigan, petition for the calling of an election to recall Christina Lirones from the office of Township Treasurer for the following reasons:

1. On September 27, 2005, she voted to increase her own salary, making her the highest paid township treasurer in Washtenaw County.
2. On February 3, 2005, she falsely declared that she had formally engaged legal counsel on behalf of the Township concerning the Wal-Mart/State Street Crossings development.
3. On June 10, 2005, she usurped the authority of the Planning Commission by telling Washtenaw County Road Commission representatives that their suggested safety improvements to the Wal-Mart/State Street Crossings development were unacceptable to the Township.
4. During her current term in office she has failed to take any substantive action to ensure the safety and welfare of township residents regarding the State Street Crossings/Wal-Mart development and has undermined residents' efforts to mitigate the development's financial and safety impacts.

3. On June 10, 2005, she met with Washtenaw County Road Commission (WCRC) officials to discuss changing the main entrance of the proposed Wal-Mart store (at State Street and Michigan Avenue). Washtenaw County Road Commission officials urged the Township to consider a site plan change that would modify traffic impacts. She told the WCRC officials that this option was not acceptable to the Township. She made a site plan decision without first letting the Planning Commission vote on it.
4. During her current term in office she has failed to take any substantive action to ensure the safety and welfare of township residents regarding the State Street Crossings/Wal-Mart development and has undermined residents' efforts to mitigate the development's financial and safety impacts.
