Inmates by Race and Gender by Sentenced/Unsentence and by Felon/ Misdemeanant

Average Daily Inmate Count

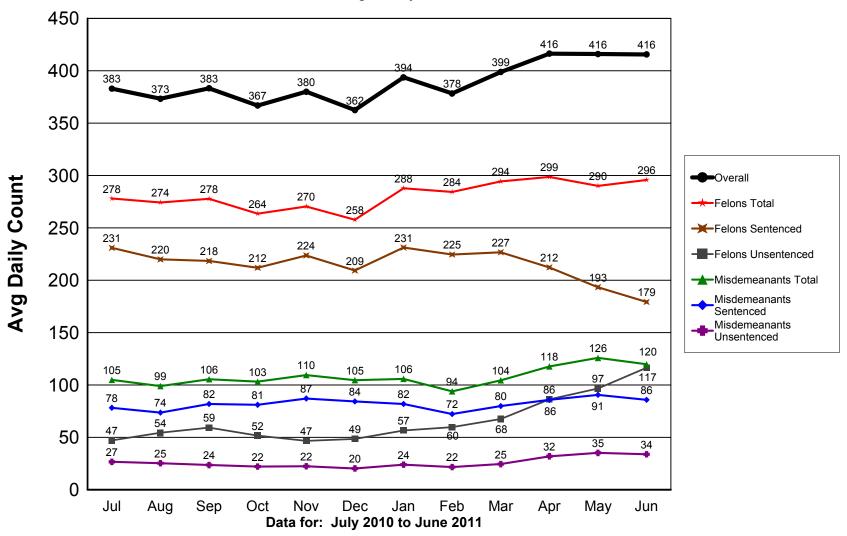

Data for: July 2010 to June 2011

Based on New World data. The following groups were not included because all had less than 10 days: females of all races, males of Hispanic origin, or non-white/non-African-American races. The averages include all inmates, including those booked and released on the same day. Felons are inmates with any felony charge Misdemeanants are inmates with misdemeanor charges exclusively. Racial identification recorded by Sheriff staff at booking. Un-sentenced inmates have no charges for which they were sentenced to any correctional facility. Monthly grouping based on calendar date. Plotted values rounded to the nearest whole number.

Felons/Misdemeanants: Sentenced/Unsentenced

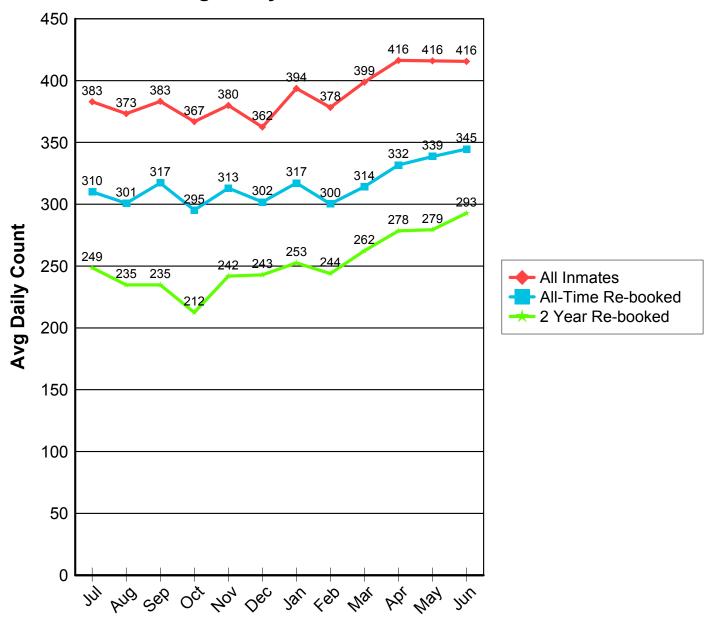

Average Daily Inmate Count

Based on New World data. All inmates, including those booked and released on the same day. Felons are inmates with any felony charge. Misdemeanants are inmates with misdemeanor charges **exclusively**. Sentenced inmates have at least charge in which they are sentenced to any correctional facility per booking. Unsentenced inmates have **NO** sentenced charges per booking. Monthly grouping based on calendar date. Plotted values rounded to the nearest whole number.

Average Daily Inmate Count: Re-booked

Data for: July 2010 to June 2011

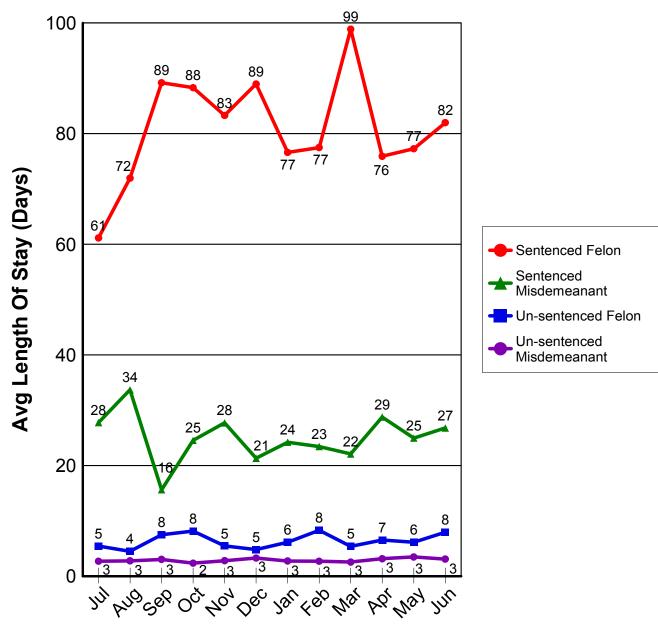

Based on New World data. All inmates, including those booked and released on the same day. Re-booked refers only to inmates who have been previously booked into the Washtenaw County Jail; other jails/correctional institutions are not considered. Re-booked inmates do not include inmates who has new charges brought against them while in custody. It does, however, include individuals arrested and booked while out on bond. It also includes individuals arrested and booked while on probation. "All-time re-booked" are inmates with any prior booking since January 1, 2000. "Two year re-booked" are inmates released on a prior booking during the preceding two years. For example, an inmate in the jail on 1/1/2007 would be counted as a "Two-year re-booked" if he or she had been released from the Washtenaw County Jail on a separate and distinct booking in the two years preceding that date. Plotted values rounded to the nearest whole number.
