EQUIPMENT INVENTORY SCHEDULE

The contractor must list equipment items that were purchased during the grant agreement period as specified in the grant agreement budget. Items purchased by the contractor and by sub-contractors with staffing contracts or performance contracts must be included in the list. Provide the following information about each item: quantity, item name, item specifications: make, model, etc. Equipment is defined to be an article of non-expendable tangible personal property having a useful life of more that one (1) year and an acquisition cost of $5,000 or per unit. The contractor must retain this list for the length of time required in the contract. The contractor must make the list available to the WCHO upon request.
