

How to use Provider Calendar on the Regional Affiliation Provider Homepage

The Provider Calendar allows you to view and search for an event such as classes, meetings and etc. in the affiliation. You can limit your search to a specific county and names to find information for an event. If you have an event that you would like to post on the Provider Calendar, please contact us at wchopru@ewashtenaw.org.

1. Go to Regional Affiliation Provider Homepage and you will see the screen below.

- Click on the **Provider Calendar** on the left navigation panel.

Quick Links: click on the "down arrow" to select a link ----->

The Community Mental Health Partnership of Southeast Michigan (CMHPSM), which joins together Lenawee, Livingston, Monroe and Washtenaw Counties into one affiliation, understands that providers face never ending responsibilities. Having said that, the CMHPSM is working to make doing business with the affiliation more efficient and effective for providers by streamlining duplicate processes and paperwork between the affiliation counties.
