Dear PAB members:

In thinking about how PAB can continue to be an effective community outreach arm for the County's planning and environment work, Tony, Patricia and myself think a summer retreat might be an ideal setting to brainstorm together on where we want to go in the coming years and the best way to get there.

We are looking at an August timeframe for the retreat (the date will be decided at our July meeting). For the purposes of planning the retreat agenda, we would like to know your thoughts on what and how we are currently doing at PAB in addition to suggestions for future actions.

Please take some time to answer the questions below. Please callwith question/clarifications.

Thank you!
