**Certified Sewage System Installation and Repair Contractors**

The list of contractors stated below was randomly generated and does not reflect the quality or effectiveness of any particular company. The list simply provides the names of individuals who have met the minimum qualifications for being a Certified Septic System Installation/Repair Contractor in Washtenaw County. Please note that being properly insured is NOT a requirement for any company to obtain Certification. As such, it is the property owner's responsibility to verify that the contractor has sufficient insurance. Washtenaw County does not warrant the work of any of the contractors listed here, and does not guarantee the quality or quantity of work provided by such contractors.
