

4-H Nature Inside Workshop

Please check three workshop choices (per participant) from the sessions below. Workshops will run 1 hour each. Your workshop schedule will be assigned after your registration is received.

Participant #1	Participant #2	Participant #3	Workshop Descriptions
			Entomology for Cloverbuds! Cost: \$5 Ages 5-8 Participants will get fired up for insects in this high energy class. Story telling and butterfly wings may be involved! Instructor: Sally DeRoo
			Introduction to Entomology Cost: \$8 Ages: 9 and up. Participants will learn all about entomology, and will take home some great tools to start their own insect collections at home.
			What's the Buzz?! Cost: Free Ages: 9 and up Come learn all about honeybees and how they help us! A local beekeeper will come in and teach us all about the great things bees do for us. Instructor: Sally DeRoo
			What's the Buzz?! For Cloverbuds Cost: Free Ages: 5-8 Same class description as above, targeted for Cloverbud age group. Instructor: Patty Lambarth
			Body Flowers Cost: \$4 Ages: 11 and up. Learn to make a corsage and boutonniere using real flowers. Instructor: Dixie Sandborn
			Stepping Stones Cost: \$5 Ages: All ages Welcome. Create a lovely garden stepping stone using glass and pottery pieces to create a beautiful mosaic. Instructor: Michele LeRolland
			Butterfly Frenzy Cost: \$6 Ages: All ages Welcome. Attract butterflies to your yard! In this class, you will decorate and fill a pot full of plants that butterflies especially enjoy. Instructor: Amanda Walz
			Nature Crafts Galore Cost: \$2.00 Ages: All ages welcome. This session will offer a variety of nature crafts to make and take home. Crafts may include: bagel birdfeeders, sand art sun catchers, and much, much, more!
Session Fees Total	Session Fees Total	Session Fees Total	Total Fees: (Please add \$2 Workshop Registration Fee per participant)
