

## WHEP Approved Lender Information

December 2011

Community Alliance is a proud partner of the Washtenaw Housing Education Partnership (WHEP). The partnership is a collaboration of agencies that work together to ensure affordable housing for all. We want to congratulate you on taking your next steps toward homeownership. Our program provides down payment assistance and acquisition/rehab for qualified homebuyers in specific areas of Washtenaw County. Because our program is funded with federal dollars it is imperative that our clients work within the WHEP program guidelines. To ensure your mortgage product complies with our program requirements, we require that you consult with one or more of the WHEP approved lenders from the list below. Call today and schedule an appointment to meet with them at a time and location that is best for you.

Sincerely,
