Dear Potential Homebuyer,

Thank you for your interest in the Washtenaw Housing Education Partners (WHEP) Home buyer Education Program. Michigan State University Extension, Community Housing Alternatives, POWER, Inc., and Washtenaw County have created a partnership to provide homebuyer education services and down payment assistance programs for low - to moderate- income, first time homebuyers. WHEP Orientation sessions and Pre-purchase Homebuyer Education classes are open and free to all. **Classes are limited to 40 participants so please register early. Please note we can not accommodate children.**

To qualify for any kind of financial assistance, a family must fall at or below the HUD income guidelines. The attached Program Income Limit Chart for 2006 (Washtenaw County) on page 2 of this package indicates income limits for each homebuyer program for which WHEP provides services. To ensure the success rate of potential homebuyers, we are now requiring *all* new participants to attend an orientation session.

During the orientation session, we will outline application requirements and participation expectations. As county, state and federal dollars fund this program, income verification is required for the entire household. To prepare for the WHEP Orientation, please do the following:

1. Review the WHEP Orientation Schedule (page 5) and choose a date that you would like to attend. Complete and return your reservation slip (page 5) or call MSU Extension to make a reservation at least 3 days prior to your chosen session. **Note: you will not receive a reminder notice, so please mark your calendar.** You will only be contacted in the event that your chosen class is already full.
2. Review the below list and check ✓ the kinds of income you and your family receive. **Bring this checklist along with the completed Household Profile Form with you to the Orientation.**

You	Spouse/ Other adult	Child/ Children (Under 18)	Source of Income <i>Bring copies of official documents to prove your income.</i>
			All household 2005 W2's or Tax return (for all household members)
			3 pay stubs—most recent to date for each household member, each job
			Social security Benefits
			Unemployment Benefits
			Financial Independence Program (FIP)
			Retirement
			Veteran's Benefits
			Worker's Compensation
			Child Support (<i>Friend of the Court ruling and/or printout to date</i>)
			Supplemental Security Income (SSI)
			Military Allotments
			Alimony
			State Disability Assistance

3. **Bring COPIES of official documents to prove your income for all of the above checked items. NOTE: Original documents will not be copied or returned.** If you do not have verification documents, contact the relevant agency to give you written verification. **Your application cannot be processed until your household income is verified.**
4. If you receive **FIP**, bring your Case Worker's name and your Case Number.

Note: Subsequent classes for this program are on the attached Washtenaw Housing Education Partners Program Schedule (page 3). Please review these dates and plan for them on your calendar.

We look forward to working with you,

Rhonda J. McGill
