RE: RFP 6083

Per the pre-bidders conference last week, there are two changes to be noted in your bid packages.

1. On page 14, under Part 7 Implementers. The last sentence should read "Describe them by name (list desired traits if not yet hired) and by function, and list relevant experience and relevant certifications.
2. On page 9, ¼ page it reads, "RFP5936 Human Services & Children's Well-Being" and it should read, "RFP 6083 Human Services & Children's Well-Being".

Any questions can be emailed to strietera@ewashtenaw.org or call (734) 222-6760.
