

**Action Requested:** Approval of Pharmacy Management contract award recommendation.

**Background:** Request for Proposal #6084 Pharmacy Benefit Management Services invited interested vendors to bid on Pharmacy Benefit Management Services in Livingston and Washtenaw Counties, with the possibility of expanding to Lenawee and Monroe Counties. The contract is for a one year term, renewable for two consecutive years contingent on meeting the requirements specified in the contract.

Two vendors submitted a bid in response to this RFP. The bids were reviewed by three different staff and a financial review was conducted. The results of the review are outlined below:

		Pharmacy Network Requirements and Oversight: 30 points				Pricing Reimbursement and Billing of Medications: 30 points				Cost: 40 points
