Amendment #1

RFP No. #6341

Title: Workforce Investment Act (WIA) Program

At the County's discretion, the successful bidder may be requested to provide certain special services projects under the resulting contract (such as a targeted summer youth program). Since such projects are not currently determinable, bidders are not requested to furnish cost or pricing information with its proposal for such special services projects. Those costs will be negotiated with the successful bidder following award of the contract and the County's determination to conduct those projects.
