

General Policy and Procedure

Mutual Aid Requirements

The Washtenaw/Livingston Medical Control Authority requires that services operating within the Washtenaw/Livingston MCA have written mutual aid agreements with services that are geographically within and adjacent to the Washtenaw/Livingston MCA.

Procedure:

- A. Mutual aid agreements entered into, by services within the MCA, shall be retained by the service and a copy shall be available to the Washtenaw/Livingston Medical Control Authority office on request.
- B. Upon request, all such mutual aid agreements shall be made available to the Michigan Department of Community Health for inspection.
- C. Services in the Washtenaw/Livingston MCA may not withhold a mutual aid agreement with a service providing or proposing to provide a similar level of care.
