What is the Border-to-Border Trail?

The Huron River winds through approximately 35 miles of Washtenaw County. The Border-to-Border Trail (B2B) represents an ongoing collaboration of communities and organizations to construct a shared-use path that will link the open spaces of the Huron River greenway.

With its County Greenways Initiative, the Washtenaw County Parks & Recreation Commission has made a serious commitment to expand hike and bike trails throughout the county, and the Border-to-Border Trail is WCPARC’s major development project to achieve this goal. 10+ miles of paved shared-use paths exist today, with more to come.

Enjoy your ride!

Key Project Elements:

- Completion of 35+/- mile paved shared-use path across Washtenaw County
- Conservation of the Huron River corridor
- Provide opportunities for transportation, recreation, river access, and links to neighboring counties
- Distinctive signage system creates a unique identity for the B2B while helping users navigate the trail
