**R**olling Hills County Park is one of the most fun and recreationally-diverse destinations in Washtenaw County!

Come splash in the waves, float the lazy river, ride the water slides or lounge by the pool. The Water Park is the “coolest” place for the whole family to be from Memorial Day weekend through Labor Day.

Take in nature on the trails or try your luck fishing at Spring Pond. Enjoy a quiet picnic beneath stately oaks and let the kids discover the playground. Challenge yourself to 18 holes of disc golf, or a ride on the mountain bike trail.

There’s plenty to do in winter, too. Head out to the park for sledding and cross-country skiing on the rolling hills, then warm up by the fireplace in The Lodge at the end of the day.

Reserve a picnic pavilion for your outdoor events, large or small, or the Great Room at The Lodge for indoor gatherings. With its fireplace, scenic views and private patio, the Great Room provides a wonderful setting for parties, group meetings and conferences.

Open year-round...come visit soon!
