1. Call to Order (6:40)
2. Approve Agenda for March 27<sup>th</sup>, 2008
  - Approved as printed.
3. Approve Minutes from February 28<sup>th</sup>, 2008
  - Dan: Correction in Local Updates – Saline Special Collection is **May 17<sup>th</sup>**, NOT May 7<sup>th</sup>.

#### 4. Green Info Guide (GIG) Update

- Dan: 2000 copies of the GIG have arrived. (Brought to meeting and passed around.)
- Dan: Passed around sheet and asked people to please fill out if mistakes are found.
- Jeff: Press Release coming out announcing the arrival of the new GIGs. Getting them out to Washtenaw County libraries

#### 5. Legislative Updates

- Chris: As always, please see MRC website for summary of Michigan legislation

#### 6. Task force Updates

##### **E-waste**

- Jeff: Had meeting regarding the analog to digital issue. Kendra (Recycle Ann Arbor Intern) has fact sheet.
- Jeff: Plan to have “Brown Bag Lunch” information session to educate about the issue.
- Chris: Nancy has sent out the factsheet to all WCCSWM members. See PIRGIM Information regarding the issue. People are being misled by many companies, who are making them think they NEED to purchase new TVs.
- Jeff: This would be a good “issues in the environment” topic. Look for opportunities to piggy-back this issue/factsheet.
- Jeff: There are lots of community events that we can distribute factsheet at: Earth Day, Waste Knot, MRC conference, Green Fair. The factsheet is great to work from!
- Chris: Next meeting at CTN, which will focus more on this issue.

##### **Pharmaceutical Take-Back**

- Jeff: Have not heard back from the Knight Foundation Grant yet, but hope to hear back in June. We are going to try to put together another video.

- Jeff: Working with tech group in county. Putting together a “super-power point” about Mg spills. This type of educational program (with quizzes throughout) is very effective. Putting local resources on it, also. This same approach can work for Pharm. Waste.
- Jeff: Center for Disease Control (CDC). Presented a website presentation on the environmental portal. The GIG and the portal are now both in the CDC website. CDC using similar format for their educational purposes.

## 7. Local Community Updates

- Dan: If interested, Whitmore Lake HS is being recognized for LEED, silver status. (Passes around invitation to the event.) Opportunity to see a state of the art Green facility. Pass info along!
- Dan: HHW starts April 5<sup>th</sup>. 9am-noon, Saturdays.
- Dan Clean-up-day May 3<sup>rd</sup> Chelsea, May 17<sup>th</sup> in Saline
- Carly: Ypsi Pride coming up. Equivalent of clean-up-day. Also includes big clean-up of Ford Lake Park.
- Chris: Meadow Lark green building tour this month. Very successful. Use 10% of the energy of a typical house.
- Michael-David: We should start thinking about lobbying against state laws...
- Chris: MRC training about a week from now on compost.
- Dan: Dues letter will be going out soon.

## 8. Adjourn (7:25)
