**STAFF REPORT**  
**November 2009**

---

**1) CLG Grant**

Staff has worked with County Purchasing to issue an RFP for the historic property rehabilitation master plan portion of this project. It is our goal to receive deliverables and wrap up this grant by December 31, in preparation for the elimination of the Office of Strategic Planning. Initial response to the RFP has been strong, despite the tight turnaround time.

**2) USS Washtenaw County**

Congratulations to Commissioner Elmer White and the USS Washtenaw County committee, which has met their goal of raising \$7,500 of private dollars to fund the exhibition proposal presented in August by James Leacock of Multiform Studios. The preferred location for the case is at 200 N. Main Street, in Ann Arbor, which has been confirmed by Washtenaw County Facilities.

**3) Budget Situation**

Please see the memo from Tony VanDerworp, Director of Strategic Planning and Knowledge Management, for more information regarding the HDC Appointments, Meetings, Staffing, and Roles.

Respectfully Submitted,
