

AATA Connecting Service for WALLY

DRAFT 10/22/2007

The following are potential routes and bus stops for connecting service with WALLY trains. Please note the following:

- These are potential routes. They are intended to be illustrative of the type of service that will be provided. Additional work to refine these routes will not be done until commencement of WALLY service is more definite.
- This service is designed to connect to WALLY at a station along Plymouth Road, east of Barton.
- These routes are for morning service from the train. Afternoon routes to the train are expected to be similar with necessary modifications for the road system such as one-way streets.

Route 1: Plymouth to Maiden Lane, to E. Medical Center Dr. to Observatory to Ann to Zina Pitcher Place, to Catherine to Glen.

Bus stops: E. Medical Center Dr. @ Taubman
