Facilitate community collaborations	<p><u>Zoomerang Survey Status</u> – didn't get to</p> <p><u>Success Story Development</u> – didn't get to</p>			

Monitor progress towards 2020 Objectives	<u>2010 Survey Key Informant Methodology interview outcomes-</u> We reviewed the interview results	HIP Internal Team will analyze results & develop a set of recommendations for Coordinating team regarding 2010 survey methodology; they will also formally thank informants in partnership with those who conducted the interviews	Internal Team	April 15 th
	<u>Thomson-Reuters Surveillance Tools-</u> Phil presented a summary of the TR Pulse survey. He proposes a TR – HIP partnership to analyze some local data from Pulse, identify one or two key health messages important to HIP, & develop a communication strategy to promote the messages to a specific population as identified in the data analyses	HIP internal team will work with Phil to identify a few topics for consideration The partnership will be more thoroughly discussed with Implementation & Coordinating teams as it evolves.	Sharon will organize an Internal Team meeting to address next steps	April 15 th
	<u>Developmental Surveillance-</u> Suicide prevention: Betsy presented an overview of her work researching data sources and indicators on suicide attempts. HIP mental health surveillance: We reviewed the issues the Depression working group identified as most important for HIP to address over the next three years.	Betsy will share her slides and a data collection tool she developed & Keven will forward to team. She will also develop recommendations for HIP as we want to expand our mental health surveillance. Contact Keven with suggestions ideas regarding draft issues	Betsy Implementation Team	April 10 th April 15 th
Increase understanding of HIP Focus	<u>Tobacco Free Michigan - 5 Year Strategic Plan for Tobacco Reduction and Prevention 2008-2013 -</u> DeBorah provided an overview of the plan,	DeBorah will research Ruth's question & get back to Keven, who will then update the team and send	DeBorah Keven	April 15 th

Areas	developed by MDCH. They are asking for organizations to endorse the plan such as CHC and its partner organizations. Ruth wondered where funds to increase funding for tobacco prevention and reduction initiatives will come from (one plan goal is to increase funding).	a copy of the report for review and input on CHC endorsement.
