IN THE MATTER OF: HAMMOND BRANCH OF WEINETTE DRAIN

**Notice is hereby given to you, as a person liable for an assessment, that a public hearing will be held on August 20, 2009, at 7:00pm, at Saline Township Hall, 5731 Braun Rd, Saline, MI 48176, Michigan. This hearing is in response to a petition submitted by the Freeholders of Land in the District requesting the Water Resources Commissioner to clean out, relocate, widen, deepen, straighten, tile, extend or relocate along a highway as a result of flooding, and as may be determined necessary, the Hammond Branch of Weinette Drain. All persons owning lands within the drainage district may be assessed the cost of a project, should a project be determined necessary.**

At the August 20, 2009 hearing, a Board of Determination composed of Dale Lesser, Alan Israel and Cresson Slotten will hear all interested persons and determine whether these improvements to the Hammond Branch of Weinette Drain are necessary and conducive to the public health, convenience and welfare in accordance with Sections 72 and 191 of Act No. 40, P.A. 1956, as amended.

All persons owning lands that may be assessed or whose lands shall be crossed by the drain, or any affected district or municipality will have an opportunity to speak at this hearing. The Board will determine whether the project is either necessary or unnecessary based on inspection of the drainage area and testimony received at the hearing. If you cannot personally attend the hearing and wish to comment, please send written testimony to the Washtenaw County Water Resources Commissioner at the address shown below. Your written testimony will be presented to the Board at the hearing.

Please note that the decision of the Board of Determination is final and subject only to appeal to the Washtenaw County Circuit Court. The Michigan Drain Code (Act 40 of the Public Acts of Michigan, 1956, as amended) provides that any person disagreeing with the Board's decision may file an appeal with the Washtenaw County Circuit Court within 10 days after the Board's decision. If the drain project requested in the petition is determined to be necessary and conducive to the public health, convenience and welfare, a special assessment may be levied against properties that benefit from the drainage project.
