

NOTICE OF PUBLIC HEARING ON NECESSITY
HURON RIVER GREEN INFRASTRUCTURE DRAIN

NOTICE IS HEREBY GIVEN that the Drainage Board for the proposed Huron River Green Infrastructure Drain has considered the petition received from the City of Ann Arbor for the location, establishment and construction of an intra county drain to be known as the Huron River Green Infrastructure Drain and made a tentative determination that the said petition is sufficient and that the said drain is practicable; has designated "Huron River Green Infrastructure Drain" as the name of said drain; and has made a tentative determination that the following public corporations should be assessed for cost of the construction of said drain, to wit:

City of Ann Arbor, for benefits to the public health.

NOTICE IS FURTHER GIVEN that the Drainage Board will meet at 11:30 a.m. February 23, 2012, at the Office of the Washtenaw County Water Resources Commissioner, Western County Service Center, 705 North Zeeb Rd., Second Floor, Ann Arbor, Michigan, for the purpose of hearing any objections to said drain, to the petition therefore and to the matter of assessing the cost to the public corporations above named. At said hearing any public corporation to be assessed or any taxpayer thereof, will be entitled to be heard.

This Notice is given by order of said Drainage Board.

Janis A. Bobrin, Chair

Dated: 26 January 2012

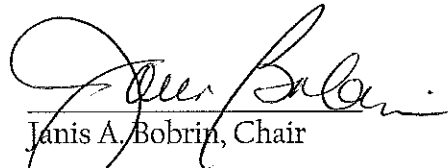

NOTICE OF PUBLIC HEARING ON NECESSITY
ALLEN CREEK WILLARD STREET DRAIN PROJECT

NOTICE IS HEREBY GIVEN that the Drainage Board for the proposed Allen Creek Willard Street Drain Project has considered the petition received from the City of Ann Arbor for the location, establishment and construction of an intra county drain project to the county drain known as the Allen Creek Drain and made a tentative determination that the said petition is sufficient and that the said project is practicable; has designated "Allen Creek Willard Street Drain Project" as the name of said drainage project; and has made a tentative determination that the following public corporations should be assessed for cost of said project, to wit:

City of Ann Arbor, for benefits to the public health.
