Up Front

Welcome to the Community Partners for Clean Stream Monthly eMonitor
Community Partners extends Happy Holiday wishes to each of our Partners

The eMonitor is designed to keep Partners updated on CPCS and stormwater management issues, provide helpful information to reduce stormwater and nonpoint source pollution, recognize new Partners, highlight upcoming events, and allow increased networking opportunities. We hope you enjoy each edition of the Monthly eMonitor and welcome any comments, concerns, or suggestions.

Environmental Reporting Line

Report Suspicious Environmental Activity

Who are you supposed to call if you detect smells from septic systems or observe suspicious discharges in drains and catch basins? What if you need information on Washtenaw County Environmental Programs? Call the Environmental Reporting Line! A new brochure produced by the Washtenaw County Drain Commissioner's Office and Washtenaw County Planning and Environment has been created to provide information about the County's Reporting Line.
