

Washtenaw County Cyber Citizenship Coalition

Kick-Off Breakfast

Learn how to be a good cyber citizen.

Become a part of the solution.

Help raise awareness in your community.

Founded in 2009, the Cyber Citizenship Coalition's mission is to raise awareness and provide county residents with the tools and resources to be good cyber citizens. Coalition members come from local, state and federal agencies involved in keeping residents and businesses safe online. October kicks off the second annual national Cyber Security Awareness Month. We are working in conjunction with the National Initiative for Cyber Education (NICE). Our coalition is being used as a model by the National Cyber Security Alliance.

The Coalition would like to thank the following supporters:

Featured Speakers

Director, East Central Region of the FTC

Received his law degree from Columbia Law School, clerked for Judge Avern Cohn in the U.S. District Court for the Eastern District of Michigan. Jon moved to Washington, DC, where he started his legal career in the FTC's Office of the General Counsel, litigation section. Jon returned home to Cleveland in 2001, staying with the FTC as a litigator before becoming Assistant Regional Director in 2005, and Director in 2009.

Adrienne St. Aubin

Member, Google Public Policy team

Her work focuses on the intersection between technology, people, and public policy; recent projects have included prevention of malware in online advertising and a current focus on privacy design for products such as Gmail. Adrienne led Google's celebration of National Cyber Security Awareness Month in 2009 and supports a positive, community-oriented approach to online safety education.
